Click here to make your appointments and other required changes.

On these pages you can enter all the information required for a company registration before sending your application to Companies House.

Use the links below to edit your registered office, make changes to share capital, appoint director(s) and secretary, and nominate your subscribers - use one form for each person/company.

For a LIMITED company, you NEED TO appoint a minimum of **ONE** director and **ONE** secretary, and nominate **ONE** subscriber. The director and secretary should be 2 different people/companies, or if a director is also secretary, then you must appoint a second director.

For a PLC, you NEED TO appoint a minimum of **TWO** directors and **ONE** secretary, and nominate at least **TWO** subscribers .

Subscribers

A subscriber will be an original shareholder in the case of a company ltd by shares or plc (and will be the owner of the company), or a member in the case of a company ltd by guarantee.

Subscribers can also be director and/or secretary.

If you have ordered our company secretary service, do not appoint a different secretary.

If you have ordered our dormant company service, leave all nominees in position.
